

JS Sports was founded in 1987 and began manufacturing uniforms for schools and clubs in the Northern suburbs of Adelaide. By 1994 JS Sports was operating at a warehouse in Salisbury South. In 2000, the company had relocated to a purpose built, 2000 square metre facility.

Why not let JS Sports manage your uniform shop?

## Uniform Onsite Facilities and Management

Onsite school uniform management is a service that differentiates JS Sports from its competitors. This service enables your school to focus on education and curriculum activities as opposed to coordinating a uniform shop.

JS Sports maintains and manages:
